

621. Copyright

C R O S S R E F E R E N C E

18 September 1951

MEMORANDUM FOR: Mr. Houston
Mr. Pforzheimer

[Redacted]

25X1A

SUBJECT : Proposed Copyright Clause

Copyright clause which it is proposed to use in contracts, the principal subject matter of which is a written report which is highly sensitive from a security standpoint. Also standard Government copyright clause which appears in the ASPR's ^{Letter} Clause gives the Government only a nonexclusive license to reproduce the material in question.
